Pre-fried Paczkis: Our pre-fried Paczkis are made with our time-tested, original recipe straight from the old country... available either filled (Bavarian Crème, Raspberry, Blueberry, or Lemon) or unfilled. Just Thaw and Finish.

Paczki Dough: Our Paczki dough is pre-shaped... simply thaw, proof, fry, finish and serve. It's never been easier to prepare Paczkis almost from scratch. Just fill them with your customer's favorite fruit or custard flavors and watch them go!

Pre-Packaged Paczki: All four Granny's flavors (Bavarian Crème, Raspberry, Blueberry, or Lemon) are available in our Pre-Packaged Paczki program. It's so simple, no proofing, frying, or finishing. Just Thaw and Sell these seasonal treats.
